Re: Phase 4 Sandra Moon Community Center

Dear Mr. O'Neal:

We appreciate the opportunity to provide this fee proposal to you for consideration. This project has many special functions that will require specialty consultants beyond our Basic Services. In addition, we feel that we should complete the Masterplan effort that we started under Phase2, as well as Programming if there is no detailed programming document provided. We have broken the proposal down to address the Masterplan, Programming and Basic Services and are identifying specialty consultants who will provide fee proposals once their scope of work is defined. Basic Services includes construction documents through construction administration.

During this phase, we understand that we are to complete approximately 110,000 SF into renovated spaces to include 700-800 seat Theater that can be reduced to 350 seat Black Box Theater, Event Space, Catering Kitchen, Meeting Spaces, Restrooms, Multi-purpose Spaces, Support Athletic Spaces with Walking Track, new additions for elevators, Dressing Rooms, Offices and entrance drive. We expect that we will also provide FF&E Services. We understand that you need Huntsville City Council approval and anticipate that we will have a Notice to Proceed on or about October 1, 2022 with a desired completion date for construction documents end of March 2023.

We have been given a construction budget of \$15,000,000 and recommend no less than a 10% contingency. Per the State of Alabama Fee Schedule for major renovation, our fee will be 7.25% of the construction cost. The break-down is as follows:

|                            |                    |
|----------------------------|--------------------|
| Masterplan Completion      | \$ 20,000          |
| Programming                | \$ 54,375          |
| FF&E (8% of \$400K Budget) | \$ 32,000          |
| <u>Basic Services</u>      | <u>\$1,087,500</u> |
| <b>TOTAL</b>               | <b>\$1,193,875</b> |
