

RESOLUTION NO. 22-

WHEREAS, Huntsville has distinguished itself as a city that recognizes the value that women bring to our professional, business, artistic, educational, medical, governmental, civic, and religious communities; and

WHEREAS, Huntsville is in active global competition for the talent and contributions that women bring to our community and every sector of the economy; and

WHEREAS, healthcare providers must be free to carry out the medical procedures most appropriately indicated for any given patient scenario without fear of prosecution and so that women and girls do not experience unnecessary pain, suffering and risk of serious illness or death.

NOW THEREFORE, BE IT RESOLVED, that it is the policy of the City of Huntsville that, as it relates to Alabama House Bill 314, municipal resources shall only be used in accordance with the provisions of the subject law and the enumerated rights and restrictions defined therein.

ADOPTED this the 13th day of October, 2022.

President of the City Council of
the City of Huntsville, Alabama

APPROVED this the 13th day of October, 2022.
