Additional Comments:

State competitive bid law (Section 41-16-51(a)(16)) allows government agencies to buy goods and services through cooperative purchasing agreements that have already been reviewed and approved by the Alabama Department of Examiners of Public Accounts (ADEPA). These agreements use contracts that were competitively bid by other public entities, and ADEPA has confirmed that the competitive bidding process used for those contracts meets Alabama's requirements. NASPO ValuePoint is one of the eight cooperative purchasing programs approved by ADEPA. To use a NASPO ValuePoint contract, a participating agency must

sign a Participating Addendum. This addendum is a two-party agreement between the agency and the contractor. It adopts the terms of the original competitively bid contract and adds any requirements specific to the participating agency, such as ordering procedures or additional terms and conditions.

RESOLUTION NO. 26-_____

WHEREAS, Section 41-16-51(a)(16), Code of Alabama 1975, authorizes local government agencies to procure goods and services through cooperative purchasing agreements that have been reviewed and approved by the Alabama Department of Examiners of Public Accounts; and

WHEREAS, cooperative purchasing agreements approved under Section 41-16-51(a)(16) are competitively bid by other public entities and made available for use by local governments to promote efficiency, reduce administrative burden, increase supplier options, and secure favorable pricing; and

WHEREAS, NASPO ValuePoint is one such cooperative purchasing program that has been reviewed and approved by the Alabama Department of Examiners of Public Accounts, and is therefore available for use by the City of Huntsville; and

WHEREAS, NASPO ValuePoint requires participating entities to execute a Participating Addendum in order to utilize its competitively bid contracts; and

WHEREAS, the Participating Addendum is a two-party agreement between the City and the vendor (contractor) that adopts the terms and conditions of the original competitively bid master agreement and incorporates any additional requirements specific to the City of Huntsville; and

WHEREAS, execution of the Participating Addendum is necessary to allow the City to access the pricing, terms, and procurement efficiencies available through the NASPO ValuePoint cooperative purchasing program; and

WHEREAS, participation in the NASPO ValuePoint agreement is in the best interest of the City as it promotes cost savings, streamlines procurement processes, and ensures compliance with state procurement laws.

NOW, THEREFORE, BE IT RESOLVED that the City Council of the City of Huntsville, Alabama, hereby authorizes the Mayor to execute the NASPO ValuePoint Participating Addendum, together with any related documents necessary to effectuate the City's participation in the cooperative purchasing agreement.

ADOPTED this the 26th day of February, 2026.
