

RESOLUTION 26-

WHEREAS, the City Council and the Mayor of the City of Huntsville, Alabama, wish to recognize and congratulate John Blue Company on reaching 140 years of esteemed development, workmanship, and integrity in the year 2026, creating trusting connections with customers, employees, and partners alike; and

WHEREAS, originally founded in Laurinburg, North Carolina, in 1886, the agriculture industry has long trusted John Blue Company for accurate and reliable pumping solutions, offering consumers a vast range of piston, centrifugal, diaphragm, spray, and injection pumps; and

WHEREAS, in 1945, due to a fire that destroyed its original North Carolina foundry, John Blue Company relocated to Huntsville, Alabama, and despite this unforeseen circumstance, the company has since demonstrated a continued commitment to meet the ever-evolving needs of farmers, applicators, and industries throughout the United States; and

WHEREAS, the legacy of John Blue Company, established by the company’s reputable consistency and dependability, continues today, as innovation is evident in their products which are all born of first-level engineering, premium materials, and genuine American craftsmanship; and

WHEREAS, throughout the year 2026, John Blue Company will recognize this milestone with new marketing initiatives, historical highlights, and continued investment in cutting-edge product solutions that will last for centuries to come.

NOW, THEREFORE, BE IT RESOLVED that the City Council and the Mayor of the City of Huntsville do hereby recognize John Blue Company for 140 years of continued innovation, quality, and reliability in their company, demonstrating a legacy that has stood the test of time and will continue to deliver caliber products to consumers for generations to come.
